

SENATE FISH AND GAME

EXHIBIT NO. 5

DATE 3/31/11

BILL NO. HB 387

3/8/11

HB 387 has passed in the House and I imagine it will pass in the Senate likewise, as it means added revenue. As you are probably aware, Initiative 161 passed by a voter margin of 26,669.

The sports people along with all the other outdoor recreators have the largest voting block in the state with over 200,000. Any attempts to "undo or tinker" with I 161 would not be in yours or anyone else's best interest.

Thank you for your consideration,

*Dick Schottlaender*
